WHO WAS ABRAHAM REALLY
WHAT HAVEN'T WE BEEN TOLD ABOUT ABRAHAM
WHO WERE THESE JEWISH AND SUMERIAN GODS?

Abraham's Shocking Sumerian Origins Will leave you Speechless
In the ancient city of Ur, we find Abraham, the
patriarch of the monotheistic religions—Judaism,

The City of Ur Was an ALIEN WORLD of the ANUNNAKI "FALLEN WATCHER" GODS

The Old Testiment Simplifies the origins of Abraham and his bloodline connection to the priestly cast who communicated with the Anunnaki "Fallen Watcher" gods of ancient Sumer and Mesopotamia etc.

The Old Testament Leaves Out Critical Details about the story of Abrahams origins.

The gods of Ancient Sumer and Ur were the Alien Anunnaki NOT OUR HEAVENLY FATHER.

Abraham wasn't divinly inspired by Our Heavenly Father he was inspired (MIND GAMED) by the Alien Annunaki gods.

This is the Nordic "Fallen Watcher" god, who referred to himself as the supreme Anunnaki god Anu aka, Enlil etc. Every culture had different names for them.

The Anunnaki "Fallen Watcher" god worship began to wane as ancient Sumer and Ur Fell.

The Old Testament Stories stemmed from he world of the Anunnaki "Fallen Watcher" Elohim gods. The Jews simply picked up and added their own version in the Old Testament.

Abraham and his tribe and soldiers left Ur as it was falling

Who was this god according to the Jews and the Deuteronomy Revisionists?

He was a LESSER ALIEN ANUNNAKI GOD known to the Jews as Yahweh Ildabaoth the Demiurge aka YHWH as he left Ur.

as told in Genesis, is part of this much
older and richer tradition—a tradition

What We Read in the Book of Genesis is a watered down version of a much older tradition where human hybrids worshipped alien gods with several different names associated with them.

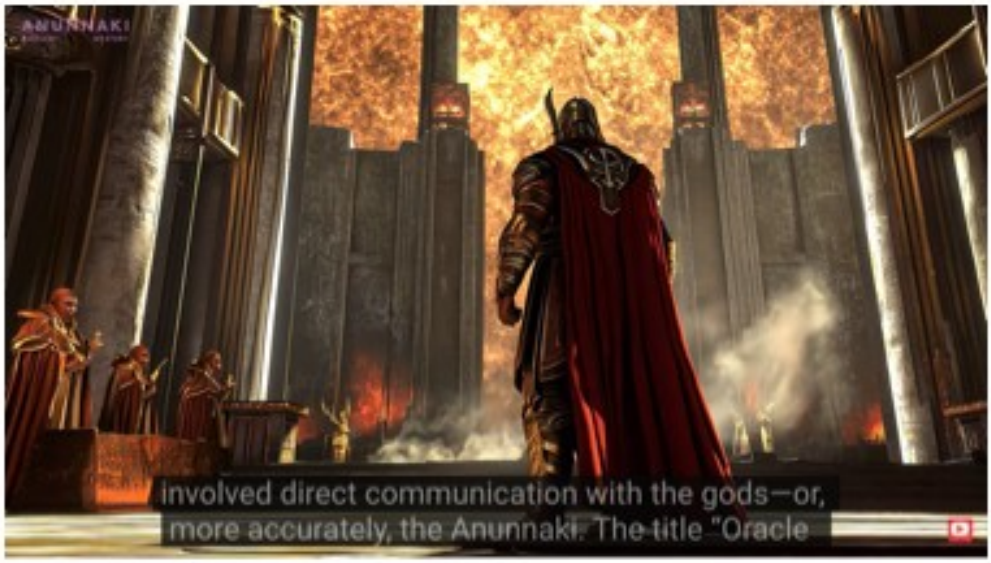
Abraham's bloodline was from the royal lineage of the Annnunaki "Fallen Angels" aka the Elohim gods.

The Jews had their own name for the god of Abraham, which was Yahweh Ildabaoth, the Demiurge YHWH.

Harran in the Old Testament.

Abraham was of the bloodline lineage of the priests of Nippur and Ur.

ABRAHAM HAD A BLOODLINE THAT WENT BACK TO THE PRIEST-KINGS OF NIPPUR. Abraham was a Priest King himself.



These priest-kings were in direct communication with these alien gods.

Ur had control over Nippur

.

This is the untold but implied life of Abraham in the Old Testament.

Abraham was a diplomatic leader, a military stratesist not a simple wandering desert tribal leader.

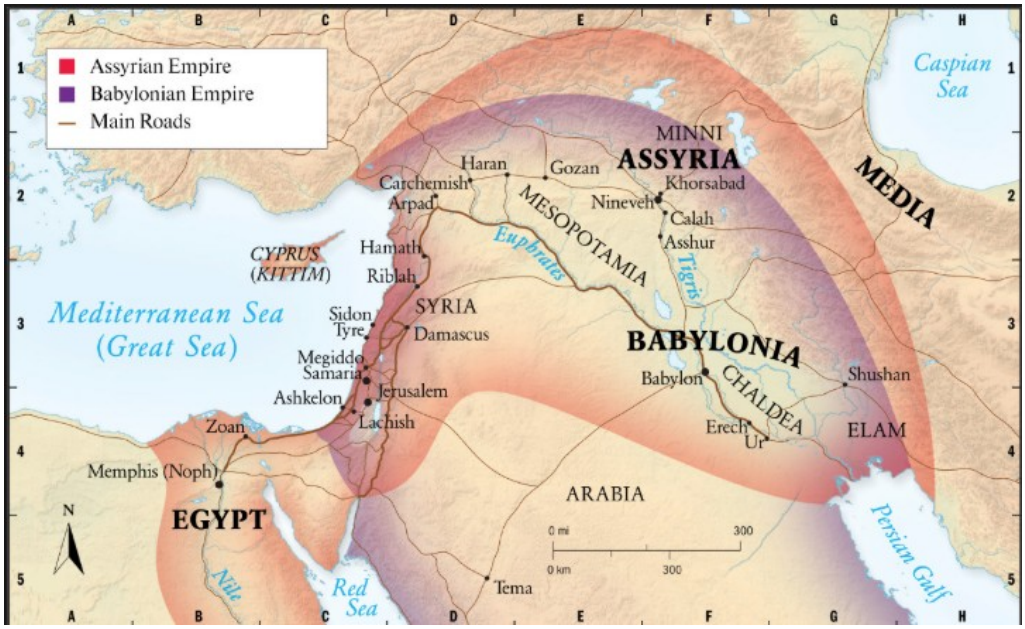
Most people have no idea that the god kings of Mesopotamia were Aryans or that Scandinavians were the tribe that lived in Northeastern Israel in Galilee. They were the Naphtali Apiru tribes of Jesus Yashua who were taken into captivity to Mesopotamia around 600 - 700 BC., long before Jesus came to town,



God Kings of Mesopotamia were Aryans
